The BIG EAST Conference

The BIG EAST Conference moves forward in 2016-17, the fourth year of its current consortium of 10 outstanding and revered academic institutions. Founded by Dave Gavitt in 1979, the BIG EAST reorganized in 2013 and entered a new era by returning to its basketball-centric heritage. The league's 10 member schools—Butler University, Creighton University, DePaul University, Georgetown University, Marquette University, Providence College, St. John's University, Seton Hall University, Villanova University, and Xavier University—embrace a constant commitment to academic integrity, athletic excellence and community service.

Val Ackerman, who previously served as founding President of the WNBA, President of USA Basketball and U.S. representative to the International Basketball Federation (FIBA), was named fifth Commissioner of the BIG EAST in conjunction with the conference's 2013 reconfiguration. Under her leadership, the BIG EAST has maintained its reputation for top-level achievement in athletics and has continued to be influential on the national intercollegiate landscape, with many conference and school administrators currently serving on key NCAA committees.

Since its inception in 1979, the BIG EAST has been lauded as a leader in innovative concepts in promotion, particularly television, and that reputation continues with the conference's relationship with FOX Sports. The BIG EAST has a fruitful multi-year partnership with FOX Sports and its national cable network FS1. FOX's comprehensive coverage of BIG EAST men's basketball includes the broadcast of all regular season games on FOX, FS1, FS2 or FOX Regional Networks, as well as the BIG EAST Tournament at Madison Square Garden, college basketball's longest-running postseason basketball conference tourney held at the same venue. The BIG EAST and FOX also have established an annual five-game marathon in men's basketball with all 10 teams competing on the same day in league competition.

BIG EAST institutions are located in seven of the nation's top 35 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Indianapolis, Milwaukee and Cincinnati.

FOX Sports platforms carry complete coverage of women's basketball regular season play and the BIG EAST Women's Basketball Tournament. Every Olympic sport championship is also carried on the network or digital platforms.

The BIG EAST has also increased the visibility of its member school programs with the expansion of the BIG EAST Digital Network (BEDN). When the conference launched BEDN in 2014-15, the league became the first collegiate conference to be hosted on the FOX Sports mobile platform, FOX Sports Go, the app that provides live streaming of FOX Sports content. BEDN will carry 225 live events in 2016-17, with an emphasis on women's basketball, soccer and Olympic sport regular season and championship events.

The BIG EAST Conference became a reality in May of 1979 through the vision of Gavitt, the former Providence College men's basketball coach and athletic director. Providence, St. John's, Georgetown, Syracuse, Seton Hall, Connecticut and Boston College formed the original seven-school alliance, and within the span of just a few years the conference had become a national powerhouse in men's basketball. While the composition of the BIG EAST evolved over the next three decades, the focus of its schools did not waver, reflecting a tradition of broad-based programs led by administrators and coaches who emphasize academic strength and fair play.

In December of 2012, the seven BIG EAST schools that do not compete in FBS football—DePaul, Georgetown, Marquette, Providence, St. John's, Seton Hall and Villanova—announced their intention to separate from the conference's football-playing schools and form an independent association. On March 20, 2013, the seven schools reached an agreement that enabled them to retain the BIG EAST name and assume the old conference's long-term pact with Madison Square Garden to host the BIG EAST Men's Basketball Tournament, one of the premier events in college athletics. The schools also announced the addition of three distinguished institutions sharing the same academic and athletic values—Butler, Creighton and Xavier—and forged a landmark, long-term broadcast

partnership with FOX Sports. The BIG EAST moved its headquarters from its original location in Providence, R.I., to midtown Manhattan in New York City to complete the transformation. The BIG EAST's new era officially began on July 1, 2013, its effective date as the NCAA's 32nd Division I conference.

To complement its athletic successes, the conference launched BIG EAST Serves in 2014 to align the academic, health, leadership and service missions of the 10 member institutions. Initiatives housed under the BIG EAST Serves umbrella, such as BIG EAST Serves Day, the BIG EAST Career Consortium and the national partnership with the It's On Us campaign against campus sexual assaults, reflect the conference's commitment to developing the complete BIG EAST student-athlete and making a positive contribution to the campus communities of its member schools and conference's headquarters in New York.

In the fall of 2015, the BIG EAST hosted its inaugural Freshmen Fundamentals, a unique program designed to assist men's basketball student-athletes in the transition from high school to college and the elite level of BIG EAST basketball.

BIG EAST institutions boast high graduation rates for their student-athletes, and the league has always been able to say that many of its best athletes are also its best students. Ryan Arcidiacono, the starting guard for Villanova's national champion men's basketball team and the Most Outstanding Player at the 2016 Final Four, also was one of five finalists for the 2015-16 Senior CLASS Award in his sport for excellence in classroom, community, character and competition. DePaul women's tennis standout Rebeca Mitrea was a conference nominee for NCAA Woman of the Year, an award that honors academic achievements, athletic excellence, community service and leadership. On the court, Mitrea is DePaul's all-time leader in wins with 117. She competed in the doubles of the 2016 NCAA Tennis Championship. Mitrea also was honored with the Arthur Ashe Leadership and Sportsmanship Award from the Intercollegiate Tennis Association (ITA).

The conference, which crowns champions in 22 sports, had league teams earn a total of 24 NCAA berths and 42 individual NCAA invitations in 2015-16. Seven different national postseason championships saw multiple BIG EAST teams participate, including five teams in men's basketball and three in women's basketball. BIG EAST schools produced 12 CoSIDA Academic All-Americans, including six in soccer (four male, two female).

Current BIG EAST men's basketball programs have enjoyed extraordinary success over the years. Villanova won the 2016 NCAA Championship, its second in school history. Georgetown and Marquette also have won the national title. DePaul, Providence, St. John's and Seton Hall have all made it to the Final Four. The BIG EAST placed three men's basketball teams in the Final Four in 1985—Georgetown, St. John's and Villanova—the only time this has occurred in NCAA history. Over the past 13 years, Butler, Georgetown, Marquette and Villanova have reached the Final Four, with Butler and Villanova making two trips. Xavier has advanced to the Elite Eight twice and the Sweet 16 four other times.

BIG EAST student-athletes have achieved recent success in other sports, as well. A BIG EAST team has won the NCAA women's cross country championship four of the last seven years (Villanova won twice; Providence and Georgetown once), with one runner-up finish (Providence). Creighton's men's soccer team has reached the NCAA College Cup in two of the past four seasons, with the Providence men advancing to the semifinals in 2014.

In the 37 years since the original league opened its doors, BIG EAST teams have won 39 national championships in eight different sports with 144 student-athletes winning individual national titles in the league's history. Since 2013, the BIG EAST has produced eight national champions.
